Time
Capsule
Project

WELCOME

to your time capsule
project guide!

We are currently living through a strange
time in history...

So let's make art about it!

This guide is full of activities and crafts that
you will be putting into a time capsule and
opening up in ten years!

Ready to get creative?

Instructions

Let's start with the basics

Supplies You will Need:

- A box (plastic or metal work best-- this will be your time capsule!)
- This guidebook (print me out or keep me digital!)
- Any craft materials that are already in your house. Paper, pencils, markers, stickers, glue, glitter--all hands on deck!

Instructions

Let's get creative!

We recommend doing one or two pages of this booklet everyday and keeping your completed projects either in your chosen box or somewhere safe to later be put into your time capsule.

Invite friends and family to have fun with this project, and be sure to share your progress with us on social media!

Decoration Station

Remember the craft supplies we mentioned earlier?

Using any creative materials in your home, make this time capsule your own. Put your family name on it, splatter-paint it, cover it in stickers--put your creative flair into it!

Note: If you do choose to bury the time capsule, please be mindful of the material you are using on the outside of the capsule for environmental reasons!

Draw Your Day

Show future-you some of the ways you spend your time!

Create a Collage

Here's how to make a collage to honor this unique time in your life!

Supplies:

magazines, newspapers, scissors, glue

Instructions

Using magazines and newspapers, Find images that are relevant to what is going on in the world today. Cut them out and arrange your collage on the next page--then glue it all down to finish the project!

My Quarantine Collage

"Lived Through Corona" Ribbon

Design a celebratory ribbon to put into your time capsule!

Supplies:

Scissors, glue, colored pencils or markers

Instructions

Color in the template on the next page and cut out the shapes (or recreate the template on a separate sheet of paper). Glue all the pieces together to form your ribbon, and add any extra creative touches as needed!

Haiku

What is a haiku?

A haiku is a Japanese poem that is only three lines long and contains 17 syllables.

The first line has five syllables, the second line has seven, and the last has five.

Here's an example:

I woke up at noon
And ate sunny side up eggs,
Burnt toast on the side.

Write a few quarantine themed
haikus of your own on the next
page!

My Quarantine in Haikus

Sentimental Scavenger Hunt!

Search around your house for objects that represent this time in your life--use the following list as inspiration:

- Family photo
- Old homework
- Empty roll of toilet paper
- Holiday decorations from the last holiday you celebrated

Ten Wishes for Ten Years

Write down your wishes for the next ten years then cut into strips for your capsule!

Congratulations

You've made it to the end of this time capsule guide! How does it feel to be part of

What Now?

Collect all your crafts, scavenger hunt objects, and filled out pages from this guide to put them in your chosen time capsule container!

Next Steps:

Time to put away your time capsule! This could mean burying it in your yard or keeping it stored in the basement or shed.

Ask a family member to set a digital reminder for 10 years--so you can open up your time capsule again!

Be sure to share your finished time capsule with us on social media! Tag us @dannysplace_ys on Instagram!
